The Company

In 1985 we at Hauler Racks introduced the best alternative to traditional welded steel utility racks. By manufacturing with aluminum, and utilizing our innovative and patented design, we pioneered the first aluminum utility racks on the market. We continue to outperform other utility rack manufacturers by producing strong, durable, light-weight, rust-proof, and great-looking racks that are capable of carrying up to 1200 lbs, yet can be quickly and easily installed and removed from trucks, vans or sport utility vehicles.

At Hauler Racks we pride ourselves on providing a variety of quality equipment carrying solutions. We are committed to listening to our customers, and providing the level of service they expect and deserve.

Universal Removable Truck Rack

Universal Removable Truck racks are an excellent solution for the work-person who needs full width overhead carrying capability, but does not desire a full-length rack. The rack is also an excellent choice for carrying canoes, kayaks, and surf boards. Crafted from bright dipped anodized aluminum, and equipped with adjustable load secure posts. This rack can also be easily removed when desired.

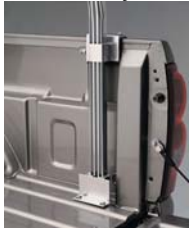

Features and Benefits

Feature

- Universal Fit

- Easily Removable

- 1,000 lb. Capacity

- Bright Dipped Anodized Aluminum

- Adjustable Load Secure Posts

Benefit

- Fits all truck makes and models bed sizes 6 feet or greater (Specify Mini Truck or Full-size Truck)

- Rack can be removed in minutes when desired by loosening two hex bolts per leg.

- The rack is capable of carrying loads up to 1,000 lbs. This will allow the professional to carry the necessary ladders to get the job done.

- Provides an excellent appearance and will not rust.

- Allow for convenient securing of ladders and materials. Adjustable to accommodate different size items.

Specifications

Part Number: UTRAHDFULL-1

Material: Bright Dip Anodized Aluminum Alloy 6063-T5
Crossbar Width: 65"
Number of Crossbars: 2
Leg Length: 45.5"
Number of Load Secure Posts: 8
Weight Capacity: 1,000 lbs.
Shipping Weight: 42 lbs.
Carton Size: 70" X 8" X 5"
UPC Number: 0-49407-80177-3

Part Number: UTRAHDMINI-1

Material: Bright Dip Anodized Aluminum Alloy 6063-T5
Crossbar Width: 58"
Number of Crossbars: 2
Leg Length: 39.5"
Number of Load Secure Posts: 8
Weight Capacity: 1,000 lbs.
Shipping Weight: 36 lbs.
Carton Size: 70" X 8" X 5"
UPC Number: 0-49407-80178-0
